Dear Sir,

It will be necessary that some regulation be made as soon as possible regarding the price of Goods in the villages adjacent to this. It has ever been, most inhabitants complained with the price in the neighbouring districts – and now, since the emancipation, it has been attempted to hole

be ... to double.

formerly the price was
2 Fowls, or 3 Chickens
for 1 Calley fanam.
they now demand
1 fanam for each Fowl,
and even at that rate,
refuse to give them
without his order.

These petty complaints
to the same here to ...
by my own failures
that they are grounded

I shall know if your
